

2008 AMA PRO RACING ROAD RACE CONTINGENCY AWARDS PROGRAM REGISTRATION

The AMA Pro Racing Contingency Awards Program is designed to reward teams and riders based on their results in individual events and the championship series with cash awards from companies with approved products.

All motorcycles and specific categories of parts and accessories must be approved by AMA Pro Racing before they can be used by competitors, and each company with approved equipment must post Contingency Awards for their products. Each company may approve as many products as the company wants, and only pays a single \$500 registration fee. Each category of product and each championship class will have its own contingency postings.

How to apply: To participate in the 2009 AMA Pro Racing Road Race Contingency Awards Program, complete both the Product Approval application and the Contingency Awards application and posting forms for the classes in which you are requesting to participate and return with appropriate payment 30 days prior to the first event in which you are posting awards to:

**AMA Pro Racing
735 Fentress Blvd.
Daytona Beach, FL 32117**

The sponsor is solely responsible for the payment of an award once it has received official notification from AMA Pro Racing that an award is due. The sponsor agrees to indemnify and hold harmless AMA Pro Racing from any and all costs, expenses and other charges (including attorneys fees) incurred by AMA Pro Racing as a result of the sponsor not paying an award when due. Additionally, AMA Pro Racing reserves the right to suspend or revoke any credentials or other passes provided to the sponsor in the event that the sponsor does not provide the awards to riders when due.
