

Technical Bulletin #2018-04

To: American Flat Track Community
Issue Date: 6/6/2018
Effective Date: 1/1/2019
Subject: 2019 Fuel Specifications

Sunoco 260 GTX Unleaded racing fuel will be the official spec racing fuel for American Flat Track starting in 2019. This announcement is designed to provide teams significant development time in preparation for the 2019 season.

Note: The following rules overwrite and supersede any previously published versions of the rules. Text in **red, bold, italic font** indicates a change or addition; ~~strikeout~~ identifies text that has been removed.
