

Competitor Bulletin #2019-01

To: All American Flat Track Competitors
Date: 3/1/2019
Effective Date: Immediately
Subject: Sunoco 260 GTX Unleaded Spec Fuel Locator

Sunoco 260 GTX Unleaded is the official spec fuel for all riders competing in 2019 American Flat Track events. Racing fuel will not be available for pre-purchase through AMA Pro Racing. The following information is being provided to assist competitors in locating and purchasing the required race fuel.

Sunoco Racing Fuels National Locator: Go to www.sunocoracefuels.com and utilize the **Fuel Finder**.

Additional sources can be found from the following regional distributors located across the country:

Daytona International Speedway. Racing fuel will be available adjacent to the AFT garages during the Daytona TT. Fuel will be on sale Thursday March 14th between 8:00 a.m. – 1:00 p.m. 5-gallon pails will NOT be available. Fuel will be pumped directly into a team's fuel container. AMA Pro Racing strongly recommends using dedicated fuel jugs for this new-for-2019 Unleaded fuel. Fuel jug contamination will not be considered viable reason for out of spec fuel.
